Hi Betsy,  
Just wanted to check and see if this Thursday at 930 am would work for our next progress call? If not, then maybe next week?  
Hoping all is going well,  
Amy

Got it! Both Grace and I already have commitments on that Wednesday afternoon. Would you be available Thursday, September 13th at 9:30 (eastern)? If so, Grace will send out a meeting invite. Note that I'll be in your building that day for a meeting that starts at 10:30, so maybe we could meet in a room.

Thanks! Amy

Hi Amy, We are still in FS discussions within EPA & FWS with more meetings coming up next week and so we think it's best to push the progress call out a bit. We are available Sept. 12th in the afternoon.  
Thanks

Hi Betsy and Supinder,

Grace and I are open next Wednesday (Sept 5) morning and all day on Thursday (Sept 6). I'll suggest Wednesday at 10:00 eastern time for the call but if that won't work, please let us know a better day and time. Grace will then send out a new meeting invitation.

Thanks! Amy

Hi. We are still having internal EPA discussions about the FS and FWS concerns, so I think we should defer this call until next week. Thanks
